Short description of the company	The Salerno State Conservatoire 'Giuseppe Martucci' is an Institution of Higher Musical and Artistic Education, managed nationally and internationally by the Ministry of Education, University, and Research. The programmes include the following areas of expertise: Early Music, Sacred Music, Conducting, Ensemble, Opera, Jazz Music, Composition, Musicianship, Musicology, Music Education, Language, Entertainment and Cultural Enterprise Management, and Electronic Music. The Conservatoire boasts almost 1000 students. The activity of 10 departments and more than 160 teachers is directed, aside from educating, also to the realization of research projects and musical productions aimed at promoting music and developing talents. This is witnessed by more than 150 events in 2018 alone, some of which were carried out in cooperation with other institutions, as well as by the numerous awards won by the most talented students. The annual festivals and artistic productions offer students many possibilities for motivation and growth, often in international backgrounds, thanks to the fruitful exchanges with the 90 partner institutions of the Erasmus+ Programme spread out across 20 European countries.

Description of activities, tasks	We offer a traineeship in a prestigious Conservatoire, with excellent opera, conducting and instrumental courses. Trainees will benefit from competent mentors, also, they will live very active in the production academic environment; they will attend to the performance in the field of the opera and symphonic/chamber music; they can participate for free to all seminars, masterclasses and workshops planned for internal students; they can also attend as listeners all concerts, lessons and rehearsals as well. Tasks concern the study and accompaniment with solo and/or chamber ensembles, both in public performances and in exams.
Accommodation	The Conservatoire hasn't a Campus for students. Anyway, some help to find accommodation could be given.
Details and financial and "in kind" support to be provided	Trainees will enjoy all the benefits and "in kind" support reserved for internal students, in addition to free access to the library.
COMPETENCE, SKILLS AND EXPERIENCE REQUIREMENTS	
Languages and level of competence required	English B1 or Italian. For r�p�titeurs, Italian language competence is recommended, but not mandatory.
Computer skills and level of skills required	Not required
Drivers licence	Not required
Other	Good competence in the repertoire related to the position.
