

PALACKÝ UNIVERSITY YOUNG RESEARCHER GRANT COMPETITION (JUNIOR GRANT)

EVALUATION PROCESS FOR PROJECT PROPOSALS (according to internal standard R-B-26/06)

1. Project evaluation phase – formalities

- **The formal requirements** are checked by the Project Service of Palacký University in Olomouc.
- The formalities check criteria are remediable (i.e. completion by the applicant is possible following a call for completion).

2. Project evaluation phase – substantive evaluation

- The project proposals are evaluated by **two independent external evaluators** appointed by the UP Grant Board.
- Based on the evaluation by external evaluators, the **UP Grant Board ranks the project proposals.**

3. Project evaluation phase – final recommendation

- The **UP Grant Board prepares the final list** of projects recommended for funding and submits it to the UP rector with justification.

4. Project evaluation phase – funding decision

- The **UP rector decides on the grant award.**
