INSIGHT IN ACTION

Making internationalisation accessible to everyone.

INSIGHT helps universities adopt more inclusive approaches to internationalisation by connecting people, promoting inclusion and improving access to support services.

ACCESS

Clear information and accessible support

CONNECT

People, cultures and communities

PARTICIPATE

Opportunities to engage and contribute

BELONG

A place where everyone feels at home

Creating change

DEVELOP & SHARE

- **Practical handbook on developing university support services**
- **Cultural e-flyers**
- **Ambassador programme**
- **Podcast and video production**

INSIGHT draws on the collective expertise and experience of its partner institutions to develop a practical handbook for universities seeking to establish or strengthen centralised support services for international students and staff.

The handbook will provide practical guidance, tools and inspiration to help universities deliver more coordinated, accessible and inclusive support.
